## 2010 Tallahassee Model Railroad Show & Sale

**Set-Up - Friday:** set-up begins at 2 pm and runs to 5 pm.

**Saturday** set-up is scheduled from 7 am to around 9 am. I will be opening the fairgrounds and building #4 by 7 a.m. Members are welcome to come in and either complete their set-ups or to run their trains.

**Saturday Tear-Down** will commence at 4 pm and continue until the last vendor is out of the building.

**Sign-In Book** – There will be a sign-in book at the entrance table. I would like all members who work the show, either Friday or Saturday, to find their name and check the appropriate box (Friday and/or Saturday).

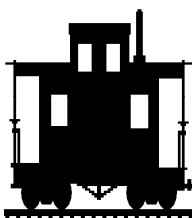

**Extension Cords** – We will need extension cords as there will be 6 or 7 ceiling drops. Use the masking tape and the magic marker found in our building and put your name on your cord (to make sure the right cord goes to the right home).

**Admission Table: Help Wanted** – Diane McCarthy will be working the admissions table, but I could use some reserves for relief purposes. The admissions table job is to take money, give change and stamp hands (for re-entry).

He and Barrett Johnson are scheduled to tape a promo to appear on the Good Morning Show. There are also flyers available if anyone wants them. We will have our June meeting just before the show. Everything is going well.
